Swaans Beton

## Slatted Floor covering ComfiFlor C2

Deformability/Elasticity, Permanent Tread Load

**SWAANS BETON  
COMFIFLOR C2**  
✓ Deformability/Elasticity  
✓ Permanent Tread Load  
DLG Test Report 7217

## Overview

A test mark „DLG-APPROVED for individual criteria“ is awarded for agricultural products which have successfully fulfilled a scope-reduced usability testing conducted by DLG according to independent and recognised evaluation criteria. The test is intended to highlight particular innovations and key criteria of the test object. The test may contain criteria from the DLG test

scope for overall tests, or focus on other value-determining characteristics and properties of the test subject. The minimum requirements, test conditions and procedures as well as the evaluation bases of the test results will be specified in consultation with an expert group of DLG. They correspond to the recognised rules of technology, as well as scientific and agricultural knowledge and requirements. The successful testing is concluded with the publication of a test report, as well as the awarding of the test mark which is valid for five years from the date of awarding. The test was based on the DLG Testing Framework for elastic stable flooring, as of December 2018 and DIN 3763:2020-04 (Elastic floorings for cattle and dairy cows walking and rest surfaces – Requirements and testing). Other criteria were not tested.

**SWAANS BETON  
COMIFLOR C2**

✓ **Deformability/Elasticity**  
✓ **Permanent Tread Load**

DLG Test Report 7217

## Test results

DLG QUALITY PROFILE	Evaluation*
Deformability and elasticity in new condition	■ ■ ■ ■ ■
Deformability and elasticity following endurance test	■ ■ ■ ■ ■
Lasting deformation following endurance test	■ ■ ■ ■ ■
Wear following endurance test	■ ■ ■ ■ □

\* DLG Evaluation range:

■ ■ ■ or better = meets, exceeds or significantly exceeds the established DLG standards,  
■ ■ = meets the legal requirements for marketability, ■ = failed

## Manufacturer and contact information

### Manufacturer and Applicant

Swaans Beton  
Industrieweg 60, 5591 JL Heeze  
Niederlande
